CIGNA DENTAL CARE® PLAN PATIENT CHARGE SCHEDULE

This Patient Charge Schedule lists the benefits of the Dental Plan including covered procedures and patient charges.

Important Highlights

- This Patient Charge Schedule applies only when covered dental services are performed by your Network Dentist, unless otherwise authorized as described in your plan documents. Not all Network Dentists perform all listed services and it is suggested that you check with your Network Dentist in advance of receiving services.
- This Patient Charge Schedule applies to Specialty Care when an appropriate referral is made by your Network General Dentist to a Network Specialty Endodontist, Periodontist or Oral Surgeon. A referral is not required for Specialty Care at a Network Specialty Pediatric Dentist or Orthodontist. You may select a Network Pediatric Dentist for your child under the age of 13 by calling Customer Service at 1.800.Cigna24 to get a list of Network Pediatric Dentists in your area. Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday; however, exceptions for medical reasons may be considered on an individual basis. Your Network General Dentist will provide care upon your child's 13th birthday.
- Procedures **not** listed on this Patient Charge Schedule are **not** covered and are the patient's responsibility at the dentist's usual fees.
- If more than one professionally accepted and appropriate method of treatment can be used to treat a dental condition, coverage will be limited to the less costly Covered Service. If you choose the more costly service, the fee listed on the Patient Charge Schedule will not apply. Discuss your options and increased financial obligations with your dentist.

Important Highlights (Continued)

- Infection control and/or sterilization are considered to be incidental to and part of the charges for services provided and not separately chargeable.
- This Patient Charge Schedule is subject to *annual change* in accordance with the terms of the group agreement.
- Procedures listed on the Patient Charge Schedule are subject to the plan limitations and exclusions described in your plan book/certificate of coverage and/or group contract.
- All patient charges correspond to the Patient Charge Schedule in effect on the date the *procedure is initiated*.
- Current Dental Terminology ("CDT") codes are established by the American Dental Association (ADA) Council on Dental Benefit Programs in accordance with authority granted by the federal government under the Health Insurance and Portability and Accountability Act of 1996 (HIPAA) as the national terminology for reporting dental services, and are recognized as the industry standard. The ADA publishes CDT as part of a reference manual and may periodically change CDT Codes or definitions. Different codes may be used to describe these covered procedures. The language in *italics* is intended to clarify the members' benefit.
